Scalar Waves

Time Crystal Healing Device

NEW Life Force Energy

- Prana
- Chi
- Scalar Wave

Time Crystal Devices produce a Sustained Scalar Wave

Waves

- Oceans are wave forms and carry energy up and down
- Electrically
- Sound
- Solid rock
- Everything in the world is wave energy

Scalar Waves

- A Scalar wave occurs when 2 equal and opposite waves, moving up and down, approach each other and cancel each other out
- The 2 energies cancel each other out to form a Scalar Wave
- A scalar wave has no vibration in time - Timeless
- The energy of the 2 wave forms is TRANSDUCED to other dimensions

TIME CRYSTAL Healing Device

- A TIME CRYSTAL transduces to form Scalar Wave around the body
- Deflects negative energy
- Shield around the body, 1-1,5m intensive
- The scalar wave fills a room and stops at the walls so a measured effect is experienced in the whole room

TIME CRYSTAL Protection

- Without the TIME CRYSTAL HEALING DEVICE negative aberrant forces (energies) will affect you
- Has the ability to correct negative orgone energy to positive energy – cancer, radiation frequencies, small X-rays from space
- Builds up the body's ability to tolerate aberrant forces, raising immunity and reducing damage to all cells, reducing accumulative stress
- Due to the timeless nature of Scalar Waves they have a positive stimulating effect on the positive energies of human beings and all living things

Effects reported

- Balanced and centred
- Clarity of thought
- Courage
- Contentment
- Happiness and Joy
- Vivid dreams

Also

- Detoxification
- Re-orientation
- Emotional release

Life is a continuum

- Removal of emotional and physical blockages
- Realignment
- Sense of time that is different
- Start to recognise the flexibility of time
- Realisation that life is a continuum

TIME CRYSTAL HEALING DEVICE

Increased ability to have the flexibility to process trauma

- The device increases the ability of using the Past, Present and Future having the flexibility to process trauma
- Emotional release by moving along the continuum going back in time, using present time and going to the future
- Experiences are not about words – EMDR
- Different effect on each person

Cellular Vitality Restored

- 5 trillion cells are like micro-batteries with a storehouse of energy
- Fully charged at 90 millivolts
- Age, Illness, Stress, GM food, Food additives or Toxins in the body deplete cellular energy and the body's battery loses its charge – resulting in chaos, disorder and disharmony and the cells death
- Restoring cells to maximum vitality - repairing DNA, producing ATP and reproducing healthy copies of the Human Genome
- Anti-aging is when vibrant cells reproduce faster than unhealthy cells are dying
- Restoration of coherence, resonance, order and harmony to the cells increases energy levels and charge
- Increasing the level of Life Force Energy in your cells can bring your body back to homeostasis
